

How an Engineer Saved a Child's Life

Special Correspondence.

From Wichita, Kansas.

Mr. Joseph Tack, living at 423 W. 2nd Street, this city, one of the oldest and best known engineers in the State of Kansas, tells an interesting story in which he saved the life of Mary, the beautiful child of section foreman Wade Roy. Mary was sweet company for her mother, and she always ran with smiling and joyful glee to meet her father as he came from work, and her happy disposition banished any cares or worries that he may have had.

For two months little Mary lay at the point of death. The family physician had called in consultation three of the most skilled of his professional brothers. These good doctors did all in their power, with not a spark of improvement in Mary's condition. They lost all hope, and told the mother that her little darling could not live.

The Rescue as Told by the Engineer

A year ago I was troubled so with my stomach I thought I had cancer. One Sunday afternoon I had such pain I could hardly stand it. I was at Wichita, where we had three hours' lay over before going to Salina. I went to Arch McVicar's drug store, and asked for a dose of Bromo Soda. He said that would only help for a few minutes and recommended Kodol Dyspepsia Cure for a permanent cure. I bought a bottle and had immediate relief. I took four bottles and am cured entirely.

I have run a locomotive engine for twenty-eight years, twenty-five of that time on passenger, where we only have twenty minutes for meals. That is what ruins railroad men's stomachs; that is why I thought it my duty to tell you about this medicine, so that my brothers could be relieved in case of trouble of this kind.

I have been a B.L.E. for twenty-seven years; run on Mo. P.R.R. twenty years; am known nearly all over Kansas. About a year ago, now, our section foreman, Wade Roy, from Ruella, told me his little girl had cholera infantum, and was given up by three doctors. While I lay at Kiowa I bought a new bottle of Kodol Dyspepsia Cure, and while sitting in the coach I read a testimonial where children had been cured by taking twenty drops when doctors had given them up, so I poured half of my new bottle in the old one, and when I got back to Ruella, I stopped the engine in front of the section house and gave him the bottle and told him to read the circular and use his own judgment, that the medicine had cured me. Next morning he was at Anthony smiling and said the child was better from the first dose. In two weeks she was up and running around, and a more grateful family was never seen. With best wishes I remain,

JOS. TACK, Engineer Mo. P.R.R., 423 W. 2nd St., Wichita, Kansas.

Kodol

DYSPEPSIA CURE

Digests What You Eat

Relieves instantly and cures permanently Indigestion, Dyspepsia, Sour Stomach, Weak Stomach, Gas on Stomach, Belching, Puffed Stomach, Catarrh of the Stomach and All Stomach Troubles that are curable.

Dollar bottle holds 2 1/2 times as much as the trial, or 50 cent size.

Prepared at the Laboratory of E. C. DeWitt & Co., Chicago, U.S.A.

ARE YOU GOING TO BUILD

a residence, store, warehouse, or a nice stone wall around your place? If you are, we have a proposition that will interest you. We can give you a brownstone house at the cost of brick. We can put a brownstone or gray foundation and chimneys to your house that will look 100 per cent better than brick and cost you no more. We can also save you money in your paving.

STATE NORMAL COMMENCEMENT

SPLENDID SERIES OF ENTERTAINMENTS WITH HON. D. U.

FLETCHER AND REVS. H.

W. THOMAS AND R. Q.

BAKER, AS ORATORS.

Special to The Journal.
Tallahassee, May 15.—The annual commencement exercises of the State Normal School will extend through six days, beginning Friday, May 19th. This week will be devoted to annual examination which for most of the classes will continue until Saturday afternoon. Following is an outline of the program:

Friday morning, May 19th, 9:30, at the gymnasium, the closing exercises of the Practice School and Kindergarten Department, participated in by the children under the instruction of Primary and Kindergarten Training classes.

Saturday evening, 6 to 11 o'clock, a public reception will be held at the Normal School in honor of the graduating classes. The grounds will be illuminated, buildings open to visitors, refreshments served, and all are invited.

Sunday morning, 11 o'clock, at the Baptist church the Baccalaureate sermon will be preached by that able and distinguished pulpit orator, Rev. Dr. H. W. Thomas, of Chicago.

Monday, 8 p. m., the Delphian Society will hold its annual public entertainment at Chapel Hall. An excellent program has been prepared and the debate will be up to the usual high standard already established in the annual debates of this society.

Tuesday, 8:30 p. m., the graduating exercises will be held at the Tabernacle. An excellent musical program is being prepared and diplomas will be awarded to fourteen graduates from as many different parts of the state. The feature of the evening will be the commencement address to the graduating classes by Hon. Duncan U. Fletcher, of Jacksonville. Mr. Fletcher is widely known throughout the state not only for his eloquence and ability but also for his deep interest in everything pertaining to public education.

Wednesday, 8 p. m., the annual reception and banquet of the Alumni Association will be held at the Normal School. Many distinguished alumni will be present from various parts of the state. The principal feature of the splendid program arranged for this occasion will be an address by the Rev. R. Q. Baker.

The public is cordially invited to all of these entertainments except the Alumni reception, to which invitations are issued to a limited number of friends by members of this association.

On Friday evening, May 12th, in accordance with the annual custom, the Junior Class tendered a reception to the class of 1905. This was at the residence of Mr. and Mrs. J. L. McKinnon and was a very brilliant and happy occasion.

These events will close the most prosperous and successful session in the history of the Normal school. The year has been marked by the most perfect harmony among the students and faculty, the largest attendance in the records of the school and a student body which for its splendid character, conduct, maturity, and advancement, is believed to be without a peer in the history of education in Florida.

EXPOSURE

The cold draughts of air, to keen and cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure.

Mrs. A. Barr, Houston, Texas, writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." 25c, 50c, \$1. Sold by all druggists.

YOUNG PEOPLE ENJOY PLEASANT EVENING.

A large number of young people, chaperoned by Mrs. Geo. White, Jr., and Mr. and Mrs. Ed. Peake, spent yesterday evening most enjoyably, the event being a crabbing party. A large number were caught after which the party proceeded to the home of Mrs. White, where refreshments were served. The party was composed of the following:

Mr. and Mrs. Ed. Peake, Mrs. J. Geo. White, Jr., Miss M. Santa, Miss D. Pfeiffer, Miss L. Berry, Miss C. Pfeiffer, Miss L. Pfeiffer, Miss C. Kramer, Miss I. Kramer, Miss E. Kramer, Miss H. White, Miss C. Berry, Miss L. Rausch, J. Dillard, A. J. White, J. Berry, L. Borrass, C. Pfeiffer, C. Parks, W. Leighton and A. Palmer.

When doctors fail try Burdock Blood Bitters. Cures dyspepsia, constipation; invigorates the whole system.

ENTERTAINED LARGE NUMBER OF HER YOUNG FRIENDS.

Miss Gertrude Campbell, the nine-year-old daughter of "Scotty" Campbell, entertained a large number of her schoolmates and young friends at the home of her parents on DeVillier street yesterday afternoon, the occasion being the celebration of her ninth birthday anniversary.

The young people spent a most enjoyable afternoon, and were served with delicious refreshments before their departure for their homes.

Growing Aches and Pains.

Mrs. Josie Sumner, Bremont, Tex., writes, April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for most bitten feet, with good success. It is the best liniment I ever used." 25c, 50c, \$1.00. Sold by all druggists.

Strictly a Family Beverage

Budweiser

"King of Beers"

130,388,520 Bottles of Budweiser Consumed in 1904

More than three-fifths of this amount used in the homes. This fact marks the decline of strong alcoholic drinks, and is the greatest step in the direction of true temperance.
